(ACCOUNTS & ENTITLEMENT)

KARNATAKA, BANGALORE

Preface

The Annual Accounts of the State Government are prepared and examined under the directions of the Comptroller and Auditor General of India (C&AG) in accordance with the requirements of Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for being laid before the Legislature of the State. The Annual Accounts consist of (a) Finance Accounts and (b) Appropriation Accounts.

Finance Accounts are summary statements of accounts under the Consolidated Fund, Contingency Fund and the Public Account. The Appropriation Accounts record the Grant-wise expenditures against provisions approved by State Legislature and offer explanations for variations between the actual expenditure and the funds provided.

The Accountant General (Accounts and Entitlement) prepares the State Finance Accounts and Appropriation Accounts.

"Accounts at a Glance" provides a broad overview of Governmental activities, as reflected in the Finance Accounts and the Appropriation Accounts. The information is presented through brief explanations, statements and graphs.

We look forward to suggestions that would help us in improving the publication.

OVERVIEW

The monthly accounts of the State Government are compiled and consolidated from the accounts submitted by the District Treasuries, Public Works and Forest Divisions etc., to the Principal Accountant General (Accounts and Entitlement). Besides, the Finance Accounts and the Appropriation Accounts are prepared annually by the Principal Accountant General (Accounts and Entitlement) under the directions of the Comptroller and Auditor General of India in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

RECONCILIATION OF ACCOUNTS

Accuracy and reliability of accounts depend, among other things, on timely reconciliation of the departmental figures with the accounts figures.

Consequent on online computerisation of treasuries and rendering compiled accounts by the treasuries a revised procedure for reconciliation has been prescribed by the State Government. As per Government Orders in vogue, all Drawing and Disbursing Officers shall reconcile figures of expenditure with those booked in the treasuries. After rendering of accounts to the Accountant General (A&E), all rectification shall be referred to the District Controlling Officers/ Chief Controlling Officers (CCOs). The Chief Controlling Officers in turn have to reconcile their figures with those of the Accountant General. During 2008-09 out of 71 CCOs for Receipt Heads, 41 CCOs have reconciled fully, 12 CCOs reconciled partially and 18 CCOs have not reconciled at all. Out of 212 CCOs for Expenditure Heads, 167 CCOs have reconciled fully, 15 CCOs reconciled partially and 30 CCOs have not reconciled at all. Thus, reconciliation has been carried out by 83 *percent* of CCOs.

However, the quantum of expenditure reconciled was for a value of Rs.2,58,29.84 crore as against the total expenditure (Revenue and Capital Heads) of Rs.5,15,29.57 crore, which works out to 50 *percent*. The major amounts that were not reconciled fall under Major Heads '2202 General Education', '2071 Pensions and Other Retirement Benefits', '2801 Power', '2515 Other Rural Development Programmes', '4701 Capital Outlay on Major and Medium Irrigation', etc.. On the receipt side the amount reconciled was for a value of Rs.4,23,99.42 crore as against the total receipts (Revenue and Capital Heads) of Rs.4,34,71.81 crore which works out to 97 *percent*.

In respect of loans and advances, the reconciliation was not carried out by any of the CCOs concerned.

SUBMISSION OF ACCOUNTS BY TREASURIES

There are 32 District Treasuries in the State. During the year 2008-09, Treasury accounts received and accounted were 384. Delay noticed in rendering of monthly accounts by the treasuries, upto 15 days on 259 occasions, over 15 days and less than one month on 21 occasions and over one month on 6 occasions is detailed below. Delay in rendering of accounts by the treasuries leads to delay in submission of monthly accounts by the Accountant General to the State Government.
