

## **INTRODUCTION**

This Review Report presents a collective picture of the functioning of the Public Works/Irrigation Divisions in Karnataka during 2011-12, bringing out therein, delays in receipt of accounts, non-adjustments of balances outstanding under Suspense / Remittances Heads of account and other irregularities noticed from the Accounts and during inspection of Divisions, arrears in the maintenance of initial accounts, non-clearance of audit notes, inspection reports and other reports issued by this office and Accountant General (WF&RA)Karnataka.

1.2 This review consists of two parts:

**PART – I:** Deals with irregularities noticed in the monthly accounts received in this office and other materials.

**PART-II:** Deals with irregularities noticed during local Audit Inspection of various Divisions.

## **PART-I: ACCOUNTS**

**2.1 No. of Divisions:** There were 105 Public Works / Irrigation Divisions in Karnataka during 2011-12. No new divisions were formed or divisions closed during the year 2011-2012 as indicated in *Annexure - 1*

**2.2 Delay in receipt of Accounts:** The monthly accounts duly supported by required schedules and vouchers (schedule dockets) are due in the Accountant General's office on or before 8<sup>th</sup> of the following month to which they relate, except March accounts, for which due date is fixed as 25<sup>th</sup> of April each year. The extent of delay in receipt of monthly accounts and vouchers/schedule dockets from various departmental officers of the Public Works / Irrigation department during 2011-2012 are indicated in *Annexure - 2*.

It would be relevant to mention here that a large number of Divisional Officers have not adhered to the due dates and on account of delayed receipt of some of the accounts during 2011-12, they could not be incorporated in the Consolidated Accounts of the State during the same month. Consequently, they had to be incorporated in the accounts of the subsequent months. Thus the Receipt/Expenditure figures of the Accounts of these months were incomplete to that extent and did not reveal the true picture of the monthly transactions of the divisions/department for that month.

The names of the divisions from which Schedule of Settlement/Reconciliation with treasuries have not been received are detailed in *Annexure 3*. The divisions may be directed to send the Schedule of Settlement /Reconciliation along with monthly accounts by due date in future. The Schedule of Public Works Deposit, Schedule of Purchases, Schedule of Material Purchase Settlement Suspense Account and Schedule of Cash Settlement Suspense Account were received from all divisions.

The divisions may be directed to send the above schedules along with monthly accounts by due date in future.

**2.3 8782 III Other Remittances (A) Items adjustable by Civil:** The debit balance has remained the same i.e. Rs.9832849.06 at the end of 2011-12 as against the debit balance of **Rs.9832849.06** at the end of 2010-11, which represents the amount spent by the divisions but adjustable against other Civil Departments. In most of the cases it is seen that contingent charges such as petrol etc were accounted by the Divisions under the above head. The year-wise break-up of amounts outstanding as on 31.3.12 is furnished vide *Annexure 4 A*.

These debits are outstanding for a long period, as no action has been taken by the divisions concerned to furnish details to this office to adjust the same to final head of account. The matter has been taken up with Government for writing off of the outstanding balances as it does not involve any cash outflow.

**2.4 8782 III Other Remittances (B) items adjustable by PWD:** There is a debit balance of Rs34117106880.35 at the end of 2011-2012 against the debit of

Rs3060299712.35 at the end of 2010-11. The year-wise break-up of amounts outstanding as on 31.3.2011 is furnished vide **Annexure 4 B.**

The large debit balance represents services rendered and stores supplied by DGS&D and other agencies to the divisions. The increase in balances under this head of account is mainly due to delay on the part of the divisions in adjusting the debits/credits advised by the AG through advice memos and also due to non-furnishing of details of advice memos in the divisional accounts in the month in which the amounts are adjusted/payment settled.

**2.5 Reconciliation:** Monthly accounts for the year 2011-12 have been fully reconciled by the divisions. This is highly commendable and it may be ensured that similar efforts are made in future so as to enable full reconciliation of the departmental figures with those of the AG.

**2.6 8782 Cash Remittance - I Remittances into Treasuries:** The main purpose of operating this head of account is to watch whether amounts remitted by the divisional officers are acknowledged by the Treasury.

There is a debit balance of Rs. 671040248.75 at the end of 2011-12 as against the debit balance of Rs.919363888.75 at the end of 2010-11

The schedules of Settlement with Treasuries are not being sent by the divisions regularly and promptly. Delay on the part of the Divisional officers to reconcile the differences could lead to non detection of cases of defalcation, which may result in loss to Government. Urgent steps may be taken to investigate and to clear the differences on top priority basis.

Divisions have been addressed to reconcile with Treasury so as to avoid the possibility of erroneous remittances into Treasury. The year-wise analysis of balances outstanding under the above head of account is furnished in the **Annexure 5 A.,**

**2.7 8782 Cash Remittances – Public Works Cheques:** This head of account is operated to watch whether cheques drawn by the Divisional officers are paid by the Treasury. There is a credit balance of Rs.32696501.96 at the end of the year 2011-12 as against the credit balance of Rs238885648 at the end of 2010-11 which represent the amount of cheques issued by the divisions, but which have remained unencashed at the Treasuries.

The main reason for the outstanding may be due to non-reconciliation with Treasury/misclassification at the treasury of the amount encashed or in some cases cheques still remaining unencashed.

As the validity of cheques would have expired/become time barred in certain cases, it is necessary that such cases are reviewed by the Divisional officer. To cancel them write-back procedure should be adopted as per para 6 of KPWA code or fresh cheques, if needed, should be issued. Unless this is done, expenditure covered by these cheques would not represent the true picture. The year-wise analysis of balances outstanding under the above head of account is furnished in **Annexure 5 B.**

With effect from 1.1.2008 LOC system of payment was dispensed with in respect of all Public Works/Irrigation divisions except National Highway divisions for payments related to works expenditure. LOC system of payment was continued in case of payments related to Deposit contribution works and refund of deposits. However with effect from 1-7-2009 LOC system was dispensed with even in case of expenditure related to Deposit contribution works and refund of Deposits.

**2.8    8658-107 Cash Settlement Suspense Account:** There was debit balance of Rs205073924.86 at the end of 2011-12 as against the balance of Rs.205962742.86 at the end of 2010-11 which shows that concerned divisions have not responded under this head of account for having received stores/materials or services rendered by other divisions.

According to Appendix 8 of KPWA code, a claim preferred by one division on another should be settled within 10 days and at any rate there should not be any outstanding balance at the end of a financial year. The balance remaining under this head of account represents the outstanding liabilities of the respective divisions, and their non-adjustment, to that extent, will reflect on the expenditure remaining unaccounted under the final head resulting in savings against the total grants. Any delay in settlement of the items in time may lead to non-detection of false and fraudulent transactions, if any, and also lead to increase in balances under PW suspense. The Divisions may, therefore, be directed to settle the above balances without further loss of time, as no actual flow of cash will take place due to issue of cheques by the responding divisions. The year-wise analysis of balances outstanding in respect of above head of account is furnished in *Annexure 5 C*.

**2.9    8658-129 Material Purchase Suspense Account:** There is a credit balance of Rs15829838.59 under this head of account up to the end of 2011-12 as against the credit balance of Rs.17603222.59 at the end of 2010-11 which represents payment not made for Stores/Materials purchased from various agencies.

The balances may be cleared by a contra entry on making payment to the supplier/divisions supplying stores and by acting up on the advice memos sent by the Accountant General to the divisions. The year-wise analysis of balances outstanding under the above head of account is furnished in *Annexure 5 D*.

**2.10    8671 Cash Balances:** There was a credit balance of Rs500053.57 under this head of account up to the end of 2011-12 as against balance of Rs421338.58 at the end of 2009-10.

According to the provisions of KPWA code, the balances under this head of account have to be reduced to Nil at the end of financial year. However, it is noticed that huge balances relating to old period are outstanding.

The divisions may be directed to reconcile the balances with that of AG and clear the same. The year-wise analysis of balances outstanding in respect of above head of account is furnished vide *Annexure 5 E*.

**2.11    8443 Public Works Deposits:** There was a credit balance of Rs. 3096242583.34 at the end of 2011-2 as against credit balance of

Rs3505944438.34 at the end of 2010-11. The divisional officers may be directed to reconcile the figures with that of AG and clear the balances. In case of unclaimed balances action has to be taken by the divisional officers as per the provisions of para 399 of KPWA code. The year-wise analysis of balances outstanding under the above head of account is furnished vide **Annexure 5 F.**

In this connection it may be mentioned that consequent on the formation of Zilla Panchayat in the state, 36 PWD divisions and 156 sub divisions were transferred to the control of Zilla Parishads with effect from 1.4.87. The above mentioned balances therefore have to be transferred to Zilla Parishads on proforma basis, as contemplated in O.M. No.PWD 65/FAP 87 dt.22.5.87 issued by the Special Officer, PWD (Finance Cell) Bangalore. Out of 36 divisions, 28 divisions have furnished the balances under DDR heads but remaining 8 divisions are yet to furnish the requisite particulars. The divisions may be directed to furnish statements to this office for carrying out necessary adjustments. The list of divisions transferred to ZP and divisions which have not furnished the balances are furnished vide **Annexure 6.**

2.12 The balances outstanding in the public works divisions under suspense heads as on 31.3.12

are given in **Annexure 7.** The divisions may be directed to clear the balances outstanding at the earliest.

## **PART-II: AUDIT**

3.1 **Statement I:** Statement - I indicates the details of cases where excess payment and short recoveries have been noticed in the course of Audit. It is requested that suitable instruction be issued to the Divisional Officers for recovering the excess payment pointed out and to take precautions to ensure that excess payment are not made in future. Instructions may also be issued for the prompt collection of short recoveries.

3.2 **Statement II:** It may be seen from Statement II that huge number of original audit notes and rejoinders are pending for more than 6 months. The pendency of audit notes is quite heavy. The audit notes are to be returned within a fortnight with replies (vide rule 289 of PWA Code). The long pending notes would reveal that adequate attention is not being bestowed for giving replies to audit notes and rejoinders thereon. Strict instruction may therefore please be issued to all concerned officers to return the audit notes with replies expeditiously and to clear the pending audit notes.

3.3 **Statement III:** Inspection reports pending in the divisions for over six months are shown in the Statement III. It may be seen from the statement that large number of reports relates to the period prior to 1990-91. Strict instructions may please be issued to all the concerned Controlling and Divisional Officers to furnish replies to all the outstanding paras immediately.

3.4 **Statement IV:** The position of physical verification of stores and stock for the year 2011-12 is indicated in Statement IV. It may therefore be seen that physical verification of stock was not conducted for the half year ending September 2009 and September 2011 in several divisions. Government may therefore issue strict instructions to conduct half yearly physical verification of stock in respect of the officers who have not conducted the physical verification listed in this statement at an early date.

3.5 **STATEMENT V:** Statement V indicates the name of the divisions for which sanctions to reserve limit of stock has not been received /fixed. Unless sanction for the upper limit of reserve stock is given, the divisions may not be in a position to regulate the stock. Instructions may therefore be issued for specifying the Reserve Stock limit.

3.6 **STATEMENT VI:** This statement indicates the names of the divisions where reserve stock limit has exceeded.

3.7 **STATEMENT VII:** This statement shows division-wise details of non production of initial records during the time of local inspection.

3.8 **STATEMENT VIII:** This statement shows the names of the Irrigation divisions where the maintenance of the initial records are in arrears. For the year 2011-12

3.9 **STATEMENT IX:** This statement shows important irregularities noticed in the

maintenance of measurement books 3.10    **STATEMENT X:** This statement shows the non-receipt of agreement bonds in audit office for 2011-12 The statement is NIL.

3.11    **STATEMENT XI:** This is a adequacy or otherwise of the internal checks exercised by the Divisional Accountant and for the year 2011=12. The Statement is Nil.

3.12    **STATEMENT XII:** This statement shows Chief-Engineer-wise abstract (Division-wise also) and year-wise abstract of money value objections outstanding for more than 6 months. As the items are outstanding from as far back as 1989-90 onwards, instructions may please be issued to the divisions to furnish replies to clear items early.
